BIKE ALONG THE MIGHTY MISSISSIPPI

Join us in the Mississippi River *Quad Cities*, 160 miles from Chicago, for a weekend of scenic biking and spectacular fun. Nestled within the bluffs of two rivers, the Quad Cities has an 8 block Arts and Entertainment District of art galleries, restaurants, pubs and *three riverboat casinos*.

We bike the paved Great River Trail which runs 62 miles along the Mississippi River though eleven small river towns with spectacular views of the river, Native American burial mounds, Great Blue Heron rookeries, eagle's roosts and massive locks and dams. The trail also features 65 public areas that include visitor centers, historical museums and markers, picturesque parks, antique stores and restaurants.

We stay at the Stoney Creek Inn in Moline, IL a new Northwoods themed full service hotel overlooking the river with an indoor/outdoor pool, whirlpool spa and sauna. The hotel is located next to the bike trails.

The trip includes two nights lodging (two to a room), expanded continental breakfast, Friday night welcoming party, after biking pool party and options of a Saturday night group dinner buffet with open bar, dinner on one of the riverboats or attendance at a Cougars game. Your choice will be determined by the leaders.

The bike trips have been filling quickly; we have room for only 66. Sign up!
