LSSC TRIP/EVENT SIGN-UP POLICIES AND PROCEDURES

Announcements

All Ski Trips are described in the *eLifeline*, or on the website www.LSSC.org with an opening date for submitting applications.

Sign-Up

Sign-up for all club Ski Trips must include a valid check and completed application for each individual. Those received by U.S. Mail have first priority and will be accepted in the order of postmark date, beginning with the opening date of the Ski Trip. Applications postmarked prior to opening date are invalid. Hand-delivered applications will be recorded after postmarked ones of that same date. Metered, uncanceled and illegibly postmarked mail will be considered as postmarked the day before delivery.

Ski Trip Application

Only members may participate in ski trips. If you are not a current member, you need to apply and indicate on the trip application when your check for membership was mailed.

Priority

Until confirmation date, LSSC members have priority over nonmembers, but membership must be current before opening date. (Membership becomes effective the date a valid check and completed application are received by the Membership Director.) Board members and appointed officers have priority over members during the first week after opening date. When there are more applications with a specific postmark than available spaces, spaces will be filled by lottery. Because of confirmation requirements, delayed mail received 7 days after postmark date may not necessarily receive postmark priority over applications already received.

Payment

Applications require either a single full payment or a specified deposit plus installments. Checks must be made payable to LSSC and show the name of the Ski Trip. An invalid check subjects the applicant to immediate removal from the Ski Trip roster and to payment of bank charges.

Confirmation

Ten days after opening date, event leaders generally send confirmation letters stating whether one is confirmed or on the waiting list. Vacancies filled from the waiting list will be confirmed verbally and, if time permits, in writing. Checks of unconfirmed applicants will be destroyed.

Cancellation Procedures

The confirmation letter states the cancellation policy for that event. Unless otherwise stated in the announcement and the confirmation letter, confirmed reservations can be cancelled at no penalty until 21 days after opening date. Subsequent cancellations will be charged up to the full trip price, as determined by the appropriate trip or activity director, depending on the loss incurred by LSSC. The minimum cancellation penalty will be \$30 for weekend trips and \$50 for major trips. The minimum cancellation penalty will be \$10 for one-day trips, events or activities. No shows will be charged up to the full trip or event price, as determined by the appropriate trip or activity director, depending on the loss incurred by LSSC.

Contingencies

If Ski Trip must be cancelled, the full payment will be refunded unless there are unusual losses incurred by the club. The club cannot be held responsible for additional costs incurred during trips due to circumstances beyond its control (i.e., breakdowns or snowstorms requiring layovers, etc.). These costs will be paid by the individuals on the trip when this extra expense is incurred.
